

# HOW'S YOUR LUNG HEALTH? CHECK.

"I want to stay fit and healthy as long as I can. So when the invitation arrived to participate I didn't have to think twice. It was a great opportunity to get checked out, and to see if there's any lasting damage from my smoking all those years ago"

Ivan, 71 from Barnet

Join the 14,000 people that had their lung cancer screening.

Look out for your invite!
