

# NCL Cancer Clinical Nurse Specialist Conference

**13 March 2025**

Our NCL Cancer Clinical Nurse Specialist conference is intended to be an opportunity to celebrate and share good practice & innovation in cancer nursing.

This is a call for you to submit posters about your or your team's work in the areas of:

- cancer diagnosis, treatment, follow-up care, or patient and family/carer support in living with and beyond cancer.
- any of the 4 pillars of nursing practice: clinical, education, leadership, research

These will be put on display at the conference venue. Prizes will be presented to the three posters receiving the highest number of votes from attendees on the day.

## Planning your Poster

Give yourself enough time to design your poster.

**Your poster should be A0 size, in portrait format. Landscape format will not be accepted.**

## Designing your poster

Your poster should be eye-catching and draw the reader in. Be creative with your design to draw attendees to your content.

Making the most of your poster

- Make sure the content is accurate
- Avoid too much text
- Include photographs, figures, and colour to make it visually attractive
- Space your text and figures to make it easy to read
- Use clear headings and conventional format

There should be a clear but succinct introduction and statement of aims to help the audience with some context for why the work is important and what it aimed to add to existing evidence. The rest of the information- methods, results/evaluation, discussion/conclusion, and references- should follow logically and clearly.

Colourful charts, diagrams and images should be used to display data wherever possible, and bold illustrations always attract the reader's eye.

The poster must be legible from a distance so several people can read it at the same time.

## Confidentiality

Please ensure that no patient identifiable information is displayed within your poster.

## Practicalities

- Appropriate contact details should be included in case anyone would like to follow up.
- Design should be portrait format, size A0. Please speak to your communications team if you need advice on preparing your poster.
- Poster artwork to be sent to [uclh.educationevents@nhs.net](mailto:uclh.educationevents@nhs.net) by **Monday 3 March**.
- We will print all posters on your behalf. You only need to provide us with the poster print-ready artwork in a pdf file
